

Niederstetten, 30th November 2020

## Important information

### Renaming to BASS GmbH

Dear Sir or Madam,

At 01 December 2020, through accrual, we are going to change our legal form of business to a limited liability company and therefore our company name from BASS GmbH & Co. KG to BASS GmbH.

The change of legal form will not have any impact on existing contracts. All documents issued by the BASS GmbH & Co. KG, will remain valid and resulting rights and obligations will remain unchanged with the BASS GmbH as legal successor.

Also your contact persons are still there for you as usual. Our telephone numbers, e-mail addresses and also bank details are not subject to change.

However, we ask you to update the following data in your system and, from now on, use this for your business correspondence:

- **new company name:** BASS GmbH
- **new commercial register number:** District Court Ulm, HRB 727812
- **new VAT number:** DE282964583

Please do not hesitate to contact us if you have any questions.

Yours faithfully

BASS GmbH

### Company Profile

BASS is a dynamic and family-friendly company. Since its foundation in 1947, BASS has been developing, producing and marketing high-precision products for industrial, efficient thread production. Companies worldwide from the automotive and aviation industries, as well as mechanical engineering and medical technology, rely on the solutions from Niederstetten. Since 2019 BASS is part of the OSG Group, the world's largest manufacturer of shank tools.
